

Tampa R Users Group

06/29/2018: Group announcements

Meetup: <https://meetup.com/Tampa-R-Users-Group/>
Web/GitHub: <https://tampausers.github.io/>
Twitter: @UseRTampa

Travis Gerke, ScD
Organizer
travisgerke@gmail.com
[@travisgerke](https://twitter.com/travisgerke)

Logo/hex sticker

Huge shout-out to Garrick Aden-Buie for making this happen!

Group communication/GitHub

A million thanks to Jordan Creed for a) running recent meetings and
b) surveying members re: communication strategies!

Result: we are now a GitHub Organization (<https://github.com/TampaUseRs>)

Within this Org, we have a site (<https://tampausers.github.io/>)

See instructions on landing page for joining and getting to
discussion/project boards

- [Tampa R Users Group on Meetup](#)
- [TampaUseRs GitHub Organization](#)
- [@UseRTampa on Twitter](#)

Discussion Board

We have a [discussion board](#) available on GitHub for `#rstats` related questions, posts, discussions and announcements.

To join, request access to GitHub [TampaUseRs organization](#) by sending your GitHub username to [@UseRTampa on Twitter](#) or the TampaUseRs organizers via [Meetup](#). The [discussion board](#) is under Teams > Everyone > Discussion.

Upcoming Meetups

R and Python

Tuesday, May 29, 2018 at 07:00pm

📍 Southern Brewing & Winemaking

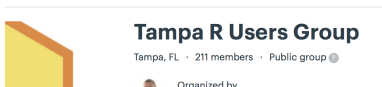

Twitter

Follow each other!

DM/follow @UseRTampa for a follow from the group

We're going to put together a Twitter List of members

We have grown very quickly and can have a solid network!

Lastly, if you want to present next month, please let us know!
